

ABOUT US

The College of Nursing, established in the year 2017, offers graduation and diploma programs in nursing and diploma programs in paramedical courses to meet the diverse needs of the healthcare sector. Qualified and experienced full-time nursing faculty provides the right mix of inputs comprising of theoretical, practical and clinical experience. The college has a network of healthcare centers and clinical affiliations with community-based organizations and government agencies. All programs are recognized by CCS University Indian Nursing Council and UP Nurses & Midwives Council.

Nursing training programs have been formulated in consultation with experts adhering to standards and guidelines. Hands-on-training is given to the students at the NCR Institute of Medical Sciences, Meerut, as well as in allied urban and rural health centers. Nursing students attend OPD sessions in the hospital. Students visit different places under the community to connect and provide primary health services. Student actively participates in health awareness programs.
